A Solid Primer

Designed for those who are new, or returning to the sport of horseback riding. Whether it's to satisfy a lifelong passion, pursue the sport, or prepare for a vacation that includes trail riding, all the basics for safety, confidence, and comfort are covered.

After establishing the fundamentals, a lesson program can be designed to meet your personal goals. For anyone interested in pursuing riding for recreation, fitness, competition, stress-relief, or the simple love of horses.

Be sure your Riding Academy is accredited.
There is a difference!

Horseback Riding

Riding can be enjoyed by everyone! With proper instruction, being able to ride a horse in a safe and controlled fashion is the start to a lifetime passion! And it's never too late to learn! Riding provides excellent health & fitness benefits. Plus, it's fun too!

To start you will need:

- ASTM Approved Helmet (*provided with Introductory Lessons*)
- Boots with a heel (*hiking or rubber rain boots will do*)
- Comfortable sweatpants or leggings with stretch (*avoid jeans*)
